

Dear _____ and Family,

I am so excited to meet you and be your second-grade teacher! We are going to have so much fun learning, exploring and making new friends. Here is a list of supplies that you will need for second grade.

*Please note the brand names of each product. I have found these brands to be the best quality for the children.

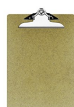

****In an effort to make it easier for the children to bring in their supplies, please send in their supplies on two different days - Sept. 5th and 6th.**
